POWER OPTIONS

Twin Yamaha F200 4-Stroke Engines with Digital Electronic Controls*

\$161,995

*NOTE: Factory installed engines include dual electronic binnacle control with combined power trim-tilt and Yamaha 6YC Information Station. Information station features 5" high contrast color, high definition display which indicates critical systems information, including: engine RPM, boat speed, engine trim level, available fuel in gallons, fuel level, fuel flow, fuel economy and up to three vital engine functions that are user selectable (i.e. oil pressure, water pressure and battery voltage) in an easy to read bar graph. Factory installed Yamaha engines come standard with stainless steel SDS props and Yamaha 10 micron fuel/water separators.
