POWER OPTIONS

Single Yamaha F300 4-Stroke Engine with Digital Electronic Control*	\$103,995
---	-----------

*NOTE: Factory installed engine includes electronic binnacle control with combined power trim-tilt and Yamaha 6YC Information Station. Information Station features 5" high contrast color, high definition display which indicates critical systems information, including: engine RPM, boat speed, engine trim level, available fuel in gallons, fuel level, fuel flow, fuel economy and up to three vital engine functions that are user selectable (i.e. oil pressure, water pressure and battery voltage) in an easy to read bar graph. Factory installed Yamaha engines come standard with stainless steel SDS props and Yamaha 10 micron fuel/water separators.
